TERMS AND CONDITIONS

This bill is due and payable upon presentation, and is past due if unpaid after the date shown on page one of this invoice. Residential customers will be assessed a late fee on balances that remain unpaid for more than 30 days from the invoice date. The late fee will be applied to the entire unpaid balance, including taxes. The late fee will be an amount not greater than the maximum amount allowable by law in the state in which the customer resides. Please make check or money order payable to Sprint in U.S. Dollars. Do not send cash. If your payment is not received within 30 days of the invoice date, or within the time allowed by your state's Public Utility Commission, Sprint may begin procedures to cancel all service to you. You will be informed of such an action if required by law.

If any check sent to Sprint in payment for services is returned unpaid by your bank, you will be charged \$10.00, or the highest amount allowed by applicable law, for each returned check, whichever is less.

If you have any questions about your bill, please call us: the number is shown on page one of this bill. Most of your questions can be quickly and conveniently handled to your satisfaction over the phone.

If you would like to question an item on your bill or comment on our service in writing, please address your letter to:

SPRINT
Customer Service
P.O. Box 152046
Irving, TX 75015-2046

Please include your name; account number, the specific question or comment about the bill, and the dollar amount of the item(s) in question. We assure you we will respond to your letter as soon as possible.

It is Sprint's policy to bill all calls to a customer within the next billing cycle after the calls are made. In some instances, however, you may receive a bill with calls that were made three or more months prior to the invoice date of the bill. In the event the total amount of such calls on one bill equals or exceeds \$50, you may request a deferred payment plan.

TERMS AND CONDITIONS

Thank you for using Sprint.

The following terms and conditions are applicable only to Sprint long distance services billed on this invoice. If you subscribe to Sprint PCS services whose charges may be included on this invoice, separate terms and conditions are applicable.

This bill is due and payable upon presentation, and is past due if unpaid after the date shown on page one of this invoice. Residential customers will be assessed a late fee on balances that remain unpaid for more than 30 days from the invoice date. The late fee will be applied to the entire unpaid balance, including taxes. The late fee will be an amount not greater than the maximum amount allowable by law in the state in which the customer resides. Please make check or money order payable to Sprint in U.S. Dollars. Do not send cash. If your payment is not received within 30 days of the invoice date, or within the time allowed by your state's Public Utility Commission, Sprint may begin procedures to cancel all service to you. You will be informed of such an action if required by law.

If any check sent to Sprint in payment for services is returned unpaid by your bank, you will be charged \$10.00, or the highest amount allowed by applicable law, for each returned check, whichever is less.

If you have any questions about your bill, please call us: the number is shown on page one of this bill. Most of your questions can be quickly and conveniently handled to your satisfaction over the phone.

If you would like to question an item on your bill or comment on our service in writing, please address your letter to:

SPRINT
Customer Service
P.O. Box 152046
Irving, TX 75015-2046

Please include your name, account number, the specific question or comment about the bill, and the dollar amount of the item(s) in question. We assure you we will respond to your letter as soon as possible.

While the item(s) in question are being investigated, you do not have to pay them; however, the amount not in question is still due and payable upon receipt of your bill.

It is Sprint's policy to bill all calls to a customer within the next billing cycle after the calls are made. In some instances, however, you may receive a bill with calls that were made three or more months prior to the invoice date of the bill. In the event the total amount of such calls on one bill equals or exceeds \$50, you may request a deferred payment plan.
