Parties appear by counsel for hearing on motions. The Court, after reviewing the briefs filed by the parties and listening to oral arguments, rules as follows:

The State's remaining cause of action for nuisance is an equitable claim, therefore there is no right to jury trial. The Defendants' motions on misjoinder and severance are denied, however the Court will reconsider the motions after dispositive motions have been decided.

The trial(s) will be conducted at the Cleveland County Courthouse and not at the OU Law School.

The Defendants' Motion for Partial Summary Judgment against the State with respect to all claims
