SUMMARY ORDER

Tanya Butcham

The Pretrial Conference was resumed from May 16, 2019. Additional changes ordered to be made to the Pretrial Conference Order and to be presented to the Court for filing today. A coin toss determined the Teva-Actavis Defendants will present their defense first, followed by the Janssen-Johnson and Johnson Defendants.

The parties announce they have reached agreement in part on the protection from public disclosure to be given the 48 documents identified in the Defendants' motions for protection.

The Court rules that the specific terms of Teva-Actavis Defendants' distribution, supply, and manufacturing be kept confidential, but the existence of such agreements is not protected from public disclosure.
