I, Dr. Charles Argoff, have the authority to make this certification.

On November 12, 2018, I produced 9,444 pages of documents (identified with Bates Nos. ARGOFF000001-ARGOFF000009444) in response to a subpoena duces tecum issued to me in the matter *State of Oklahoma ex rel., Mike Hunter, Attorney General of Oklahoma v Purdue Pharma L.P., et al.*

To the best of my knowledge, after reasonable inquiry, these documents, including documents Bates numbered ARGOFF000683-000684 and ARGOFF003331-003337, are accurate versions of the documents described in the subpoena duces tecum that are in my possession, custody, or control.

The documents that were produced were made by me in the regular course of business, at the time of the act, transaction, occurrence or event recorded therein, or within a reasonable time thereafter, and it was the regular course of business to make such records.

I declare that these documents are true and correct copies of business records maintained by me in the ordinary course of business.

I further declare that the records stated above are the originals or exact duplicates of the originals.
