Dear Clerk;

Please find enclosed a new case. I'm enclosing three copies, One for the Court, One for the Defendant, and One for myself. ALL need your stamp and a Case Number. EXHIBITS are all attached.

I feel that you and the Court should be informed about what happened in Case No. 6:16-cv-836-orl-41KRS., The same Defendant in my present case help the defendant in that cas --s TO PULL A DIRTY TRICK ON ME, Causing me to withdraw with a Motion based on the case having became MOOT. I really fell for their 'TRICK". JUST TO SHOW you and the Court how I wastricked, I'll attach a copy of their phony letter and phony Certificate of Discharge to this letter. Each item as sent with the letter 'HAS A STAMP IN THE UPPER RIGHT-HAND CORNER, You'll find the letters (ST L), standing for "St LOUIS".. A sure give-a-way. These three little letters is all the evidence needed to show that the "STAMP" comes from the NATIONAL ARCHIVES OF PERSONNEL RECORDS CENTER.

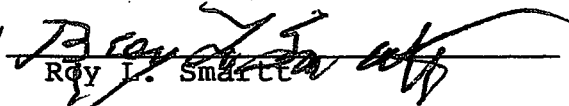

I'm using two (2) or three of the documents that came with the letter as EXHIBITS.

I was discharged in 1953. NOT in 1978. The phony discharge is a good--for--nothing FORGERY.

I don't want my present case and former case put together in any way.

I thank you for your aid in these matters.

Respectfully,

/s/

Dear Mr Smartt

Thank you for your recent letter to General Mark A. Welsh III, Air Force Chief of Staff, requesting assistance with obtaining a copy of your discharge documents.

We requested your Official Military Personnel File (OMPF) from the National Personnel Records Center (NPRC). Unfortunately, your record was destroyed by fire at NPRC in 1973 and a complete record could not be reconstructed. However, we were able to obtain a copy of your discharge certificate and documents regarding your previous request for an upgrade to the type of discharge you received. Please see attachments.

We trust this information is helpful. If you have any questions, please call our office at 210-565-2450.

Sincerely

A handwritten signature in black ink that reads "Thelma Bagley".

25 JUL 1983

Dear Mr. Smartt:

This is in response to your application dated 7 February 1983 concerning correction of your military records.

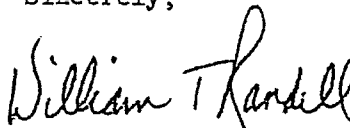

Your previous application dated 20 July 1978, Docket No. 79-00046, requesting an upgrade of your undesirable discharge, was considered by a panel of this Correction Board on 5 March 1980 and denied. It was stated that your Air Force master personnel records had been destroyed by fire at the National Personnel Records Center in 1973, but that the Morning Report furnished to you by GSA reflected that you were discharged under provisions of AFR 39-17 for unfitness. The Board concluded that in the absence of records from you substantiating your contentions of an error or injustice in the discharge proceedings, it was their opinion that the discharge was consistent with the procedural and substantive requirements of the discharge regulations and was within the sound discretion of the discharge authority. It was noted further that though you had submitted documentation pertaining to good post-service conduct, in the absence of information pertaining to the circumstances surrounding the discharge, the documentation was insufficient to persuade the Board that clemency should be granted and the discharge upgraded.

In connection with your most recent application, an advisory opinion was obtained from AFMPC/MPCA KP. That opinion noted that the Air Force Discharge Review Board (AFDRB) previously considered the case and denied your request on 18 April 1979. MPCA KP concluded that "Based on the limited documentation available and the absence of any new or substantive documentation, we are unable to determine the reasons for the characterization of service rendered. Therefore, we are unable to make a valid recommendation with respect to the applicant's request."

Once an application has been considered and denied, the reiteration of facts previously considered and unsupported personal observations are not considered sufficient bases to warrant reconsideration. Therefore, in the absence of new relevant evidence not previously considered, your most recent application will not be presented to the Correction Board for consideration.

For your information, enclosed herewith are the AFDRB Hearing Record, dated 18 April 1979, and the Correction Board Record of Proceedings, dated 14 March 1980.

Sincerely,

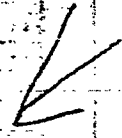

WILLIAM T. RANDELL
Executive Secretary
Air Force Board for Correction
of Military Records
