Q. Where did you see him when you first saw him?

A. In the parking lot.

Q. What happened there?

A. We explained to him what we were doing. In other words, responding to a situation where an officer left the precinct and we were heading to the home now.

Q. What did he say?

A. He cautioned us to be careful and that we should have emergency service accompany us.

Q. Did Marino say anything else to you?

A. Not that I recall. Just be careful and that we should have ESU also respond. We were going to an officer's home.

Q. Did he indicate to you what it was that you should be careful about?

A. Well, in my tenure with the investigations unit, oftentimes officers

1 CONFIDENTIAL - KURT DUNCAN

2 you with me?

3 A. Yeah.

4 Q. What was the next thing that
5 happened after EMS took Schoolcraft's blood
6 pressure?

7 A. They indicated to him that his
8 pressure was unusually high and for that
9 reason alone he should be -- he should take
10 a trip to the hospital to be checked out.

11 Q. What happened next?

12 A. At that point he agreed and
13 decided he was going to go.

14 Q. Then what happened?

15 A. Somewhere along from upstairs,
16 the apartment, to getting to the ambulance,
17 I don't remember whether he made the call or
18 a call came in, but he was on the phone with
19 someone. At that point he mentioned -- he
20 indicated that he was going to the EMS --
21 going to the hospital. At that point, he
22 turned around and rushed kind of like a
23 raced walk and went back upstairs.

24 Q. So you say you saw him race
25 walk?
