2 mentioned to me?

3 A. On what dates?

4 Q. Did you just say on what dates?

5 A. Hmm-mm. Are we talking about
6 Halloween, the 31st, or we talking about
7 other different days?

8 Q. Were there other occasions that
9 Caughey was acting usual with reference to
10 the TS desk?

11 MS. PUBLICKER METHAM:

12 Objection.

13 A. I don't -- you know, all I know
14 is that he always walked back and forth --

15 Q. Ma'am, you're not answering my
16 question. Were there other days --

17 A. There were other days he walked
18 back and forth.

19 Q. You're not answering my
20 question. You're not even letting me finish
21 my question.

22 A. Sorry.

23 MR. SMITH: So I will rephrase
24 it again.

25 Q. Were there other days, other

2 than Halloween October 31, 2009, when
3 Caughey acted unusual with respect to the TS
4 desk?

5 MS. PUBLICKER METHAM:

6 Objection. You could answer.

7 A. I don't recall.

8 Q. So sitting here today, you have
9 a recollection of Caughey walking by the TS
10 desk on approximately three occasions,
11 right?

12 A. Yes.

13 Q. The first time we went through
14 in some detail where you remember him
15 glancing at a logbook on the desk, right?

16 A. Yes.

17 Q. And you were standing right
18 behind the TS desk on that occasion, right?

19 A. Close enough, yeah.

20 Q. And you said to Schoolcraft,
21 words in substance, that's unusual, right?

22 A. Yes.

23 Q. Then on two other occasions,
24 while you were sitting at your desk as
25 depicted in 61.2, you saw Caughey walk by

2 the TS desk; is that right?

3 A. Yes.

4 Q. Those were on the same date,
5 October 31, 2009; is that correct?

6 A. Yes.

7 Q. Did those two occasions occur
8 before or after the occasion where you were
9 standing directly behind the TS desk?

10 A. It could have been after or
11 before.

12 Q. Do I understand you to be
13 telling me that you don't have any
14 recollection of thinking that any of those
15 other occasions when he walk by the TS desk
16 were unusual?

17 MS. PUBLICKER METTHAM:

18 Objection. You can answer.

19 A. More than likely it was after he
20 walked the first time when I said that it
21 was unusual. That I thought in my mind if
22 somebody walks by and something is unusual
23 then I'm paying attention next time when
24 they walk by.

25 Q. Okay. So you agree with me that

the second and third time you saw Caughey walk by the TS desk, those occurred after the time when you were standing right behind the TS desk; is that right?

MR. KRETZ: Objection.

MS. PUBLICKER METHAM:

Objection.

Q. Is that correct?

MS. PUBLICKER METHAM:

Objection.

A. I was sitting down at some point. I was out there and I was sitting down back and forth. So I could have been sitting down when he passed by the other couple of times or I could, but I know the first time I was standing -- I was close enough to Schoolcraft.

Q. On any of the occasions, did you see Caughey's facial expressions?

A. I didn't pay attention.

Q. So the answer to my question is no, you didn't notice his facial expressions, right?

A. No.
