DIRECTIONS

(Page 1)

Box 1 - All captions must be **typewritten**.

Caption "Present Assignment": indicate general nature of ratee's duties.

Box 2 - a) check reason for submitting evaluation; b) indicate date evaluation was prepared and dates of rating period.

Box 3 - Check appropriate box. The Overall Evaluation should be based on the general tendency indicated by ratings for individual Key Result Areas as well as the priority or importance of each key responsibility. As a general guideline, if one or two key responsibilities far outweigh the others in importance, the supervisor should center the overall rating around these responsibilities, deviating only if the ratings for the less important responsibilities are significantly higher or lower. Any deviation from the tendency indicated by the individual Key Result Areas ratings must be explained. In arriving at an overall rating the supervisor should also consider performances not covered by the manager's Key Result Area statements. These would also include special projects which came up during the rating period, unanticipated difficulties, or unusual consequences. **REFER TO DEFINITIONS OF STANDARDS IN GUIDE.**

Box 4 - Rater to comment on the ratee's overall performance and indicate the basis for the Overall Evaluation. In addition, when evaluating a precinct commander, document this individual's overall community relations performance.

Box 5, 6, 7 & 8 - Appropriate boxes must be checked and captions must be typewritten.

Box 9 - The reviewer's responsibility is to determine that the evaluation is manifestly fair and accurate. It is the reviewer's option to offer comments and recommendations pertinent to the performance of the ratee.

(Page 2)

AT THE BEGINNING OF THE RATING PERIOD THE RATER AND THE RATEE TOGETHER WILL COMPLETE THE CAPTIONS UNDER THE HEADING "KEY RESULT AREAS" AND "PERFORMANCE EXPECTATIONS." A PHOTOCOPY OF PAGE 2 WILL BE FORWARDED TO THE EMPLOYEE MANAGEMENT DIVISION, ROOM 1000, AT THE BEGINNING OF THE RATING PERIOD.

KEY RESULT AREAS must be discussed with and understood by the ratee. They represent the most important responsibilities of the ratee and are the fundamental reasons why the ratee's position exists.

PERFORMANCE EXPECTATIONS, as well, must be discussed and understood by the ratee. They are those measurements of output and or/outcome (achievements, quality of work, results, etc.) which the rater will examine to determine if the ratee met the Key Result Areas.

BOTTOM OF PAGE 2 AND ALL OF PAGE 3: TO COMPLETED AT THE END OF THE RATING PERIOD.

Under the caption "THIS SECTION TO BE COMPLETED AT THE END OF THE RATING PERIOD", the rater may choose to address the particular KRA(s) with specific comments.

Under the caption "**PERFORMANCE ACHIEVEMENTS**" will be listed the actual achievements accomplished by the end of the rating period. These are to be contrasted against the original **PERFORMANCE EXPECTATIONS** established at the beginning of the rating period. Hence, post-performance **RESULTS** are viewed in light of the pre-performance expectation.

Under the caption "**INDIVIDUAL ASSESSMENT OF EACH KRA**", the rater will assign a rating for each Key Result Area by checking the appropriate box and make written comments which justify and explain the basis for the selected rating.

Under the caption "**RECOMMENDATIONS**", the rater **may** make recommendations and/or discuss plans for future assignments and goals of the ratee.

VERIFICATION - At the **END** of the evaluation period the rater will sign the space provided to indicate that the performance evaluation has been shown to, and discussed with, the ratee. The ratee will sign and date the space provided to indicate that he/she has read the **completed** evaluation and has been provided with a copy.

If the ratee wishes to appeal the evaluation he/she will sign and date the appropriate caption.

4. RATER'S COMMENTS : Rater to discuss the basis for the OVERALL EVALUATION which should be based on the attainment of performance expectations and performance factors listed in this report.

During this rating period Captain Mauriello served as both the Executive and Commanding Officer of the 081 Precinct. He has demonstrated high competence in both his assignments during the rating period. As the Executive Officer he was responsible for handling the traffic program in the 081 Precinct. Through his efforts the 081 precinct has had 10.4 % reduction in accidents and in addition the summons productivity in hazardous summonses has vastly improved over the same period the previous year. He also supervised the Special Operations Units and through his leadership gun arrests and overall productivity also greatly improved.

It the capacity as Commanding Officer of the 081 Precinct the 081 from December 2007 until the end of the rating period, the 081 Precinct has seen an almost 13 % reduction in index crimes and an 18% percent reduction in homicides. The overall cleanliness and performance in the precinct as improved during the rating period.

Captain Mauriello has built strong and close relationship with civic and community leaders and the community is presently pleased with his performance as Commanding Officer.

Captain Mauriello is a hard working and dedicated member of the New York City Police Department and is dedicated to its values and overall mission. I highly recommend Captain Mauriello to continue in his current assignment as Commanding Officer of the 081 Precinct.

PERFORMANCE ASSESSMENT

To be Completed and Discussed with the Ratee at
the End of the Evaluation Period)

In the captions provided below, the rater will assign a rating for each Key Result by checking the appropriate box under the column **Individual Assessment of Each KRA**. Before doing this, however, the rater and the ratee must together complete the **Performance Achievements** column. From this discussion the rater will provide, in the **Performance Achievements** column, a detailed account of the ACTUAL accomplishments achieved during the rating period. Hence, if the original **Performance Expectations** listed three criteria for performance in a **KRA**, the **Performance Achievements** must address the ACTUAL RESULTS in each of the three criteria. The ratings for performance in each KRA, namely the **Individual Assessment of Each KRA**, must therefore be justified in light of these actual **Performance Achievements**. Remember, these individual ratings will help to form the basis for the **Overall Evaluation** which will be assigned to the ratee.

(Page 1)

- Box 1 - All captions must be **typewritten**.
Caption "Present Assignment": indicate general nature of ratee's duties.
- Box 2 - a) check reason for submitting evaluation; b) indicate date evaluation was prepared and dates of rating period.
- Box 3 - Check appropriate box. The Overall Evaluation should be based on the general tendency indicated by ratings for individual Key Result Areas as well as the priority or importance of each key responsibility. As a general guideline, if one or two key responsibilities far outweigh the others in importance, the supervisor should center the overall rating around these responsibilities, deviating only if the ratings for the less important responsibilities are significantly higher or lower. Any deviation from the tendency indicated by the individual Key Result Areas ratings must be explained. In arriving at an overall rating the supervisor should also consider performances not covered by the manager's Key Result Area statements. These would also include special projects which came up during the rating period, unanticipated difficulties, or unusual consequences. **REFER TO DEFINITIONS OF STANDARDS IN GUIDE.**
- Box 4 - Rater to comment on the ratee's overall performance and indicate the basis for the Overall Evaluation. In addition, when evaluating a precinct commander, document this individual's overall community relations performance.
- Box 5, 6, 7 & 8 - Appropriate boxes must be checked and captions must be typewritten.
- Box 9 - The reviewer's responsibility is to determine that the evaluation is manifestly fair and accurate. It is the reviewer's option to offer comments and recommendations pertinent to the performance of the ratee.

AT THE BEGINNING OF THE RATING PERIOD THE RATER AND THE RATEE TOGETHER WILL COMPLETE THE CAPTIONS UNDER THE HEADING "KEY RESULT AREAS" AND "PERFORMANCE EXPECTATIONS." A PHOTOCOPY OF PAGE 2 WILL BE FORWARDED TO THE EMPLOYEE MANAGEMENT DIVISION, ROOM 1000, AT THE BEGINNING OF THE RATING PERIOD.

KEY RESULT AREAS must be discussed with and understood by the ratee. They represent the most important responsibilities of the ratee and are the fundamental reasons why the ratee's position exists.

PERFORMANCE EXPECTATIONS, as well, must be discussed and understood by the ratee. They are those measurements of output and or/outcome (achievements, quality of work, results, etc.) which the rater will examine to determine if the ratee met the Key Result Areas.

BOTTOM OF PAGE 2 AND ALL OF PAGE 3: TO COMPLETED AT THE END OF THE RATING PERIOD.

Under the caption "**THIS SECTION TO BE COMPLETED AT THE END OF THE RATING PERIOD**", the rater may choose to address the particular KRA(s) with specific comments.

Under the caption "**PERFORMANCE ACHIEVEMENTS**" will be listed the actual achievements accomplished by the end of the rating period. These are to be contrasted against the original **PERFORMANCE EXPECTATIONS** established at the beginning of the rating period. Hence, post-performance **RESULTS** are viewed in light of the pre-performance expectation.

Under the caption "**INDIVIDUAL ASSESSMENT OF EACH KRA**", the rater will assign a rating for each Key Result Area by checking the appropriate box and make written comments which justify and explain the basis for the selected rating.

Under the caption "**RECOMMENDATIONS**", the rater **may** make recommendations and/or discuss plans for future assignments and goals of the ratee.

VERIFICATION - At the **END** of the evaluation period the rater will sign the space provided to indicate that the performance evaluation has been shown to, and discussed with, the ratee. The ratee will sign and date the space provided to indicate that he/she has read the **completed** evaluation and has been provided with a copy.

If the ratee wishes to appeal the evaluation he/she will sign and date the appropriate caption.

PERFORMANCE ASSESSMENT
To be Completed and Discussed with the Ratee at
the End of the Evaluation Period)

In the captions provided below, the rater will assign a rating for each Key Result by checkin the appropriate box under the column **Individual Assessment of Each KRA**. Before doing this however, the rater and the ratee must together complete the **Performance Achievements** column. From this discussion the rater will provide, in the **Performance Achievements** column, a detailed account of the **ACTUAL** accomplishments achieved during the rating period. Hence, if the origin: **Performance Expectations** listed three criteria for performance in a **KRA**, the **Performance Achievements** must address the **ACTUAL RESULTS** in each of the three criteria. The ratings for performance in each KRA, namely the **Individual Assessment of Each KRA**, must therefore be justified in light of these actual **Performance Achievements**. Remember, these individual ratings will help to form the basis for the **Overall Evaluation** which will be assigned to the ratee.

During the 2004/ 2005 rating period, Captain Mauriello has demonstrated excellent abilities during his tenure as the Executive Officer of the 77th Precinct. His assistance to the Precinct Commander continued the command's crime reduction. He was able to reduce traffic accidents and improve traffic conditions in the 77th Precinct. He also assisted the commanding officer in improving the quality of life for the residents of this precinct. Captain Mauriello's abilities have resulted in his current assignment as Commanding Officer of the Patrol Borough Brooklyn North Anti-Crime Unit. It is anticipated that the success realized to date will continue under his leadership.

This Performance Evaluation takes into account the employee's compliance with the Department's EEO Guidelines and Federal Title VII statutes and whether the employee was disciplined as a result of same. The Ratee's rights and responsibilities regarding EEO issues were discussed.

KEY RESULT AREAS AND PERFORMANCE EXPECTATIONS

(To Be Completed and Discussed With the Ratee At the Beginning of the Evaluation Period)

The Rater and Ratee will list each of the ratee's Key Result Areas (KRA's), in order of importance, in the captions listed below. KRA's are those functions and work responsibilities which represent the fundamental reasons why the ratee's position exists. They are the most important areas in which the ratee is expected to perform. Each Key Result Area will include a description of the responsibility. Adjacent to each responsibility the rater will indicate, in the caption provided, what will be expected of the ratee in order to perform the KRA adequately. This will be a statement describing what conditions will prevail if the KRA is met. A performance expectation is that which the rater will examine to determine if the ratee met the listed Key Result Area.

DIRECTIONS

(Page 1)

Box 1 - All captions must be **typewritten**.

Caption "Present Assignment": indicate general nature of ratee's duties.

Box 2 - a) check reason for submitting evaluation; b) indicate date evaluation was prepared and dates of rating period.

Box 3 - Check appropriate box. The Overall Evaluation should be based on the general tendency indicated by ratings for individual Key Result Areas as well as the priority or importance of each key responsibility. As a general guideline, if one or two key responsibilities far outweigh the others in importance, the supervisor should center the overall rating around these responsibilities, deviating only if the ratings for the less important responsibilities are significantly higher or lower. Any deviation from the tendency indicated by the individual Key Result Areas ratings must be explained. In arriving at an overall rating the supervisor should also consider performances not covered by the manager's Key Result Area statements. These would also include special projects which came up during the rating period, unanticipated difficulties, or unusual consequences. **REFER TO DEFINITIONS OF STANDARDS IN GUIDE.**

Box 4 - Rater to comment on the ratee's overall performance and indicate the basis for the Overall Evaluation. In addition, when evaluating a precinct commander, document this individual's overall community relations performance.

Box 5, 6, 7 & 8 - Appropriate boxes must be checked and captions must be typewritten.

Box 9 - The reviewer's responsibility is to determine that the evaluation is manifestly fair and accurate. It is the reviewer's option to offer comments and recommendations pertinent to the performance of the ratee.

(Page 2)
AT THE BEGINNING OF THE RATING PERIOD THE RATER AND THE RATEE TOGETHER WILL COMPLETE THE CAPTIONS UNDER THE HEADING "KEY RESULT AREAS" AND "PERFORMANCE EXPECTATIONS." A PHOTOCOPY OF PAGE 2 WILL BE FORWARDED TO THE EMPLOYEE MANAGEMENT DIVISION, ROOM 1000, AT THE BEGINNING OF THE RATING PERIOD.

KEY RESULT AREAS must be discussed with and understood by the ratee. They represent the most important responsibilities of the ratee and are the fundamental reasons why the ratee's position exists.

PERFORMANCE EXPECTATIONS, as well, must be discussed and understood by the ratee. They are those measurements of output and or/outcome (achievements, quality of work, results, etc.) which the rater will examine to determine if the ratee met the Key Result Areas.

BOTTOM OF PAGE 2 AND ALL OF PAGE 3: TO COMPLETED AT THE END OF THE RATING PERIOD.
Under the caption "**THIS SECTION TO BE COMPLETED AT THE END OF THE RATING PERIOD**", the rater may choose to address the particular KRA(s) with specific comments.

Under the caption "**PERFORMANCE ACHIEVEMENTS**" will be listed the actual achievements accomplished by the end of the rating period. These are to be contrasted against the original **PERFORMANCE EXPECTATIONS** established at the beginning of the rating period. Hence, post-performance **RESULTS** are viewed in light of the pre-performance expectation.

Under the caption "**INDIVIDUAL ASSESSMENT OF EACH KRA**", the rater will assign a rating for each Key Result Area by checking the appropriate box and make written comments which justify and explain the basis for the selected rating.

Under the caption "**RECOMMENDATIONS**", the rater may make recommendations and/or discuss plans for future assignments and goals of the ratee.

VERIFICATION - At the **END** of the evaluation period the rater will sign the space provided to indicate that the performance evaluation has been shown to, and discussed with, the ratee. The ratee will sign and date the space provided to indicate that he/she has read the **completed** evaluation and has been provided with a copy.

If the ratee wishes to appeal the evaluation he/she will sign and date the appropriate caption.
